

Spider ARC

BETTER ALIGNMENT. BETTER STABILITY. BETTER PATH.

► **Tour-Proven Performance**

- With ARC geometry. The Spider ARC provides our highest MOI Spider putter for better stability and increased alignment and forward roll
- Lightweight aluminum body paired with Heavy 304 Stainless Steel Ring for higher MOI to ensure that the face stays square to the path
- Soft Surlyn Pure Roll™ Insert for Increased forward Roll and distance control
- Spider ARC features a unique “ARC” geometry for better “True Path” alignment
- Spider ARC features a 3.65” heavy stainless steel ring for better MOI and an ARC geometry cup design for a better visual alignment
- The Spider ARC has an easier connection for path with a combination of sightlines and a connect-the-dot alignment
- Black Finish Shaft
