The TP MB Smoke iron is a refreshing new take on the classic muscle-back blade. Designed with input and feedback from TaylorMade Tour Staff professionals, these irons employ:

- 1) rac™ technology with large Feel Pockets to promote a softer and more satisfying feel.
- 2) Milled clubface and grooves for consistent spin and control.
- 3) Tour-configured sole that prevents digging and glides smoothly through and out of the turf.
- 4) PVD "smoke" finish that reduces glare and lends a beautiful, tour-caliber appearance, and which is also extremely durable.
