

P.790 2019

TaylorMade®

YOU DON'T MESS WITH WHAT WORKS. YOU MAKE IT BETTER.

**FEATURES:**

- **FORGED HOLLOW BODY**
- **LOW PROFILE TUNGSTEN WEIGHT**
- **SPEEDFOAM™**
- **THRU SLOT SPEED POCKET™**
- **PROGRESSIVE I.C.T.**

FEATURE	BENEFIT
Forged Hollow Body Construction	Consists of a thin, wrap around forged 4140 face and soft carbon steel body designed to deliver explosive distance and forgiveness
SpeedFoam™	Ultra light urethane foam injected inside the head engineered to push the design limits of face speed while simultaneously improving feel
Low Profile Tungsten Weighting	New low profile tungsten weight designed for a lower CG and higher launch
Thru Slot Speed Pocket™	Our most flexible Speed Pocket™ design engineered to maximize ballspeeds and provide forgiveness on low face shots
Progressive I.C.T.	Features patented Progressive Inverted Cone Technology strategically located in each iron designed to improve accuracy and protect off-center ball speed
