FEATURE	BENEFIT
TITANIUM Head	Titanium body (9-1-1 Ti) and machined titanium face (6-4 Ti) form a super lightweight hollow body iron designed to deliver explosive distance and forgiveness
Visible TUNGSTEN Weighting	Extreme tungsten weighting (up to 119g) locked into the back bar of each iron engineered for a high launch, low spin trajectory to maximize distance
SpeedFoam™	Ultra light urethane foam injected inside the head engineered to push the design limits of face speed while simultaneously improving feel
Premium Components	Our most technologically advanced iron has been paired with premium components to create the ultimate players distance iron package
