

Rossa CGB Putters

Enhanced Launch Conditions
in a Classically Shaped Putter

FEATURES	ADVANTAGES	BENEFITS
Tungsten CG rods and CG plugs	Contribute to each CGB putter's deep-back CG position	Enhanced launch conditions for a smoother roll
43% larger Titanium face insert	Saves weight that can be allocated to the perimeter; unmatched soft-yet-crisp feel	Increased MOI for greater forgiveness; superior touch and control
Tuscan nickel finish	Reduced glare	High aesthetics and easier to aim
Classic shapes	High visual appeal	Increased confidence
