

**R360 XD**

## **R360 XD Ti DRIVER**

Long and Easy to Hit

### **FEATURES**

- New face design (derived from Inverted Cone Technology) allows us to spread COR more efficiently
- Delivers improved launch conditions that can result in added yardage
- Pull-Face, titanium construction offers a thin, strong clubface that may help deliver up to fastest allowable ball speed
- Precision-placed CG produces high, long-carrying ball flight
- XD-60 Extra Distance 60-gram graphite shaft features a new soft tip to help get the ball in the air, and produce optimum distance
- 360cc head size produces high MOI for outstanding stability and forgiveness on off-center hits
- USGA Conforming
- Available in right-handed 8.5, 9.5 and 10.5; left-handed 9.5 and 10.5.
- Equipped with XD-60 Extra Distance 60-gram tip-soft graphite shaft in S, R and M flexes
- TM Crossline non-cord grip
