

FEATURE	ADVANTAGE	BENEFIT
Large, 425 cc clubhead	Exceptionally high MOI	Exceptional forgiveness for long, straight results on off-center hits
Movable Weight Technology with TP Weight Kit: 98 grams of movable weight to choose from— (2) 2-gram, (1) 4-gram, (2) 6-gram, (2) 8-gram, (1) 10-gram, (2) 12-gram and (2) 14-gram cartridges	Empowers golfers to choose from 9 swing weights and 1,230 sets of launch conditions	30% improvement in shot-shape movement over the r7 quad TP
RE*AX shaft featuring Fujikura Rombax technology	Reduces ovaling and creates greater stability from the top of the shaft to the tip	Promotes increased consistency and accuracy
Ultra-Thin Wall technology for extremely thin-yet-strong club-head walls	Saves more than 40 grams	Makes discretionary weight possible to create TLC
Inverted Cone Technology	Dramatically expands the portion of the clubface that delivers high COR	Consistently longer drives
Pull-Face construction	Permits a light, thin, strong clubface	High COR that promotes fast ball speed for increased distance
1° open clubface alignment	Pleasing to the skilled player's eye	Increased confidence and accuracy

WARRANTY INFORMATION

Damage that results from the failure to follow the instructions in the user's manual is not covered under the Limited Consumer Warranty. Visit taylormadegolf.com or see your retailer for a copy of the Limited Consumer Warranty which contains specific limitations.
