

FEATURE	ADVANTAGE	BENEFIT
Larger clubhead size than most hybrids (110 cc #3)	Higher MOI and increased confidence	Greater forgiveness on off-center hits
Swing weight cartridge concentrates weight in the rear-center-bottom of the clubhead	Extremely low and deep-back CG	Super-easy to launch both high and long
Internally weighted to create a draw bias	Promotes a right-to-left ball flight	Added distance
Three options -- #3 / 19°, #4 / 22°, #5 / 25°	Replace the 3-iron, 4-iron and 5-iron	Promotes lower scores by eliminating hard-to-hit long-irons
