

MISCELA

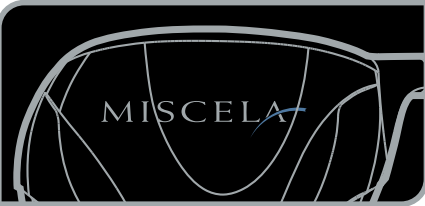

FEATURE	ADVANTAGE	BENEFIT
Ten-club distance engineered set	Delivers consistent distance increments from one club to the next	Increases value and frequency in use of each club
380 cc oversized titanium driver with low CG	Creates higher launch angle with increased MOI	Delivers consistently longer and straighter shots
Steel hybrid woods	Replaces difficult to hit mid or long irons	Easier to hit for greater distance and accuracy
Wide-soled low profile irons	Allows CG to be positioned lower and deeper	Easier to launch the ball higher and longer
Ultra-light, low-kick graphite shaft	Promotes added swing speed and a higher launch angle	Higher, longer-carrying shots that go farther

Miscela *Promotes Distinct Distance Differences from Club to Club*

TRADITIONAL LADIES SET

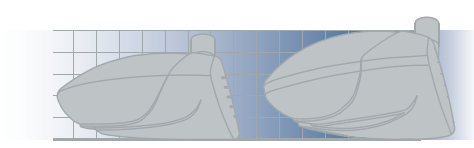

MISCELA SET

Miscela's clubs feature optimized lofts and CG locations that create even yardage gaps between clubs, making each club more useful

MISCELA DRIVER COMPARISON

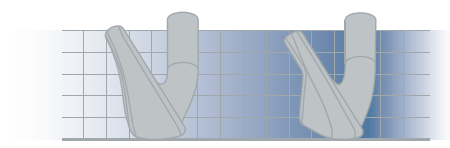

ORIGINAL STEEL DRIVER

NEW TITANIUM DRIVER

The new deeper face, oversize titanium driver delivers longer distance and more forgiveness.

MISCELA IRON COMPARISON

ORIGINAL IRON

NEW LOW-PROFILE IRON

The new lower profile Miscela iron delivers higher ball flight and increased distance.
