

r7 TP IRON

FEATURE	ADVANTAGE	BENEFIT
Inverted Cone	Expands COR zone for more ball speed on mis-hits	Increased ball speed and constant distance on the most common iron mis-hits
Dampening web made of soft aluminum and high-tech bonding compound	Soaks up harsh vibration	Phenomenally soft-yet-solid feel at impact
Minimal offset and flatter lie angle	Gives the player ultimate control over direction and trajectory	Keen workability for maximum ball control
Classic TaylorMade® TP iron shaping	Beautiful, authentic and tour-proven look	Confidence at address
Shallow cavity	Higher CG	Makes it easier to work the ball left, right, high and low
Tour-configured sole with specially-ground leading edge and softened trailing edge	Clubhead digs less and glides smoothly through and out of the turf	Allows for players to execute a variety of shots
Dynamic Gold steel shaft, R3, S3, X1	Tour-proven performance	Delivers an unparalleled combination of control and feel
TaylorMade® logo Tour Velvet® grip	Tour-proven performance	Delivers an unparalleled combination of traction, comfort and feel

WARRANTY INFORMATION

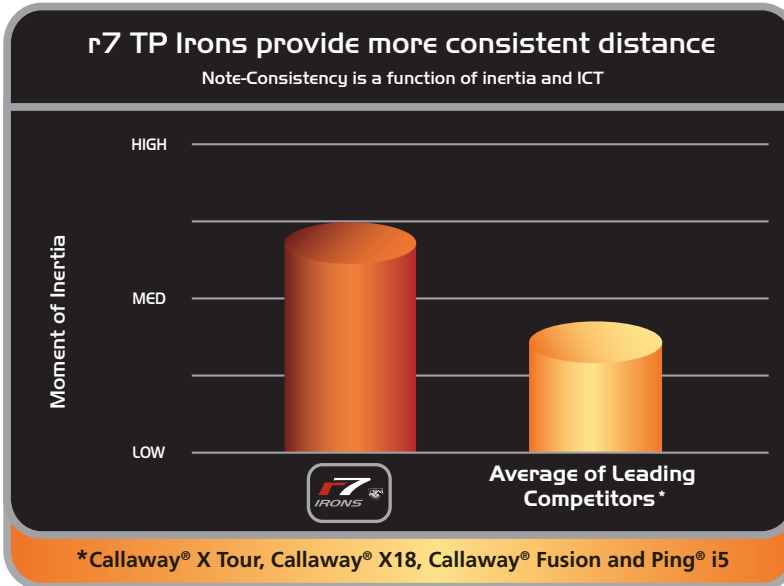

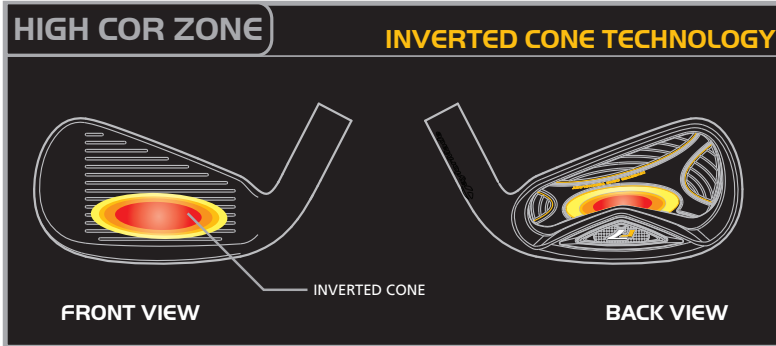

Damage that results from the failure to follow the instructions in the user's manual is not covered under the Limited Consumer Warranty. Visit taylormadegolf.com or see your retailer for a copy of the Limited Consumer Warranty which contains specific limitations.
