

R9 TP B IRONS

Special Edition Soft Carbon-Steel R9™ TP B Irons

FEATURES

BENEFITS

Soft 8620 carbon steel construction	Buttery soft feel and sound
No visible offset	Direct, unfiltered connection of hands to the leading edge for acute responsiveness
Traditional blade-like shape with thin sole and topline	Clean, understated and beautiful
CNC-milled face and grooves (USGA approved)	Consistent spin, launch angles, control and feel
Nickel-chrome plating with satin scratch-resistant finish	Durable, attractive and reduces glare
